**Re: Coalition for Safe West Nile Virus Control
California Public Records Act Request**

Dear Mr. Mooney:

The purpose of this letter is to respond to your letter dated August 31, 2007, concerning your request under the California Public Records Act (PRA) dated August 8, 2007.

You will recall that on August 20, 2007, Alana McKinzie responded to your PRA request, indicating that the draft article that you had requested would not be provided. Government Code section 6255 was cited as the basis for non-disclosure. Your letter dated August 31, 2007 cited authorities that you indicated support disclosure.

The California Department of Public Health (CDPH) has reviewed this matter and provides the draft article, which is enclosed with this letter, in response to your PRA request, dated August 8, 2007.

This letter also acknowledges receipt of your letter dated September 12, 2007. CDPH has determined that it has no documents responsive to the request set forth in your PRA request, dated September 12, 2007.

With this submission, CDPH concludes that it has provided a complete response and that no further action is required regarding the PRA requests described in your letters dated August 8, 2007 and September 12, 2007.

Very truly yours,
